

CROCODILE CREEK

AUSTRALIA

CROCODILE CREEK - AUSTRALIAN WINES

Brand Name/History - From Australia's South Eastern wine growing regions, situated near Riverland, Clare and Barossa Valleys, McLaren Vale and Adelaide Hills, comes this fine brand of wine. Notice the new innovative temperature sensitive label on the Semillon Chardonnay. When the wine has reached proper serving temperature, a giant crocodile will appear on the inside portion of the back label.

Type	Shiraz/Cabernet Sauvignon
Comments	Blended with two of the finest premium red grapes. Shiraz: In Australia the Syrah is called Shiraz, after the area in Persia from where it was said to have been brought during the Crusades. There, these wines are among the country's best. Vinified all over the world. Cabernet Sauvignon: Premium red grape variety. One of the most important varieties blended to make the fine red wines of Bordeaux, especially those of Medoc. Although Cabernet Sauvignon is not planted extensively in France outside the Bordeaux region, it adapts well to different climates and is grown successfully in Chile, Australia, Italy, Argentina, and the U.S.. Most famous and vinified grape of the world.
Growing Area	Australia South Eastern Area
Alc. By Volume	14.0%
Vintage	2002
Taste	Dry red wine, full bodied, spicy, aromas of wild berry.
Recommendation	To serve with roasted meat, steaks and cheese
UPC Code Bottle, 750 mls	0 86929 60001 9
Weight /Bottle, 750 mls	2.75#
Weight / 2 CS /6 x 750 mls	33.0#

Type	Semillon / Chardonnay
Comments	A blend of two of the finest fruity premium white grapes: Semillon: In Australia wines made from Semillon are often labeled Riesling, supposedly because they are similar in style. They produce a wide variety of dry and semi-dry wines. Chardonnay: Superior white wine grape. Used in making the best white wines of Burgundy. Vinified all over the world. Very productive under different climate conditions.
